Car Service in Bogota, Colombia

Elite Car Service Bogota, a leading provider of private transportations services in Bogotá, Colombia announced today a new email alert system that sends out a confirmation of the arrival/departure of a passenger, to up to 3 recipients.

Online PR News – 18-May-2011 - Elite [Car Service Bogota](#), a leading provider of private transportations services in Bogotá, Colombia announced today a new email alert system that sends out a confirmation of the arrival/departure of a passenger, to up to 3 recipients. “Although the negative reputation in terms of safety that Bogota once had in the 80’s is long gone, this convenient and free service provides peace of mind to loved ones and business colleagues back home” say Carlos Sandoval, Managing Director of [Elite Car Service Bogota](#).

Elite Car Service Bogota offers a wide range of transportation services to executive travelers and tourists visiting Bogota, including car services with English speaking drivers, city tours, city-to-city transportation, and van rentals with driver. Through its affiliate [Elite Apartments Bogota](#), a lodging alternative is offered with fully furnished apartment rentals. All first class services are provided with a focus on punctuality, comfort, reliability and safety.
