Online PR News – 22-May-2011– The independent authority on search vendors, topseos.com, has announced the Best [SEO Companies](#) for May 2011. An independent research team that was assigned to the [Search Engine Optimization](#) category reviewed each applicant in order to determine the top SEO companies. ThinkBIGsites made its presence as one of the Top 10 players in the rankings for this month in a field of thousands worldwide.

An extensive review was completed and the research team found that ThinkBIGsites is a pioneering leader in Search Engine Optimization, Pay Per Click Bid Management, Social Media and Website Design. Last year, ThinkBIGsites is an SEO powerhouse that has captivated the attention of many online customers because of its outstanding SEO results for their clients on a consistent basis over an extended period of time. As the research team has probed deeper into what made this company stand out among its peers, it quickly became evident as topseos.com received overwhelmingly positive feedback from their consistently growing list of clients from all over the world.

As an independent ranking authority, topseos.com could not ignore the ever increasing global buzz that surrounds ThinkBIGsites. Based on further extensive evaluation of ThinkBIGsites.com, the ranking authority felt compelled to move them from 10th position in SEO all the way up to 2nd position for this month of May 2011. In fact, it can be expected that ThinkBIG moves up again to the top position in the coming months based solely upon client results, client satisfaction, client retention as well as a tremendous increase in new accounts and revenues. This company is clearly focused on becoming the most well known and trusted SEO/PPC company in the world today and they are on pace to do just that.

Established in 2007, ThinkBIGsites' proven track record of success and their continued drive for excellence has earned the company the reputation of delivering proven, safe, fast and affordable results to businesses of all sizes and types. Its full line of scalable "Organic" SEO solutions are small enough to accommodate the local business owner and large enough to impress any Fortune 500 company. ThinkBIGsites thinks outside the box while conventional SEO firms continue to go by the "old book"; and while they may promise their clients the world, they often leave them with as little online web presence as having a "billboard on the moon." With their Organic SEO, ThinkBIG can definitely get results their clients ever wanted.

Moreover, ThinkBIGsites owns several top rankings in topseos.com for this month of May 2011, #2 - Best [SEO Company](#), #4 - Best Social Media Marketing Company, #5 - Best Pay Per Click Management Company and #6 - Best Link Building Company. The firm has gained reputation in implementing effective SEO techniques by controlling their clients websites' popularity and authenticity. topseos.com has been ranking the best internet marketing service providers since 2002. As the independent authority on search vendors they have connected thousands of businesses with internet marketing firms that have provided top
