

## SEO Firm Shares 'Best' Free Article Marketing Submission Sites

*Market Research firm shares list of free article marketing sites that have proven they provide SEO benefits and can generate traffic to your website.*

**Online PR News – 06-January-2010** - SEO Internet Marketing firm has updated its stand alone resource website that contains a list of the 'best' Free Article Marketing Sites on the Internet. Each featured free article submission site has demonstrated it offers valuable SEO and traffic building results. The website is called PrSiteList.com.

The free press article submission websites listed on PrSiteList.com were the ones that passed a series of tests and proved they provide valuable Internet Marketing results. Some of the key factors looked at were the inclusion of outbound links, anchor text, images, and Social Media Bookmarks.

According to Steve Johnson, the PrSiteList.com administrator-

"Free Article Submission and Free Press Release Distribution are two of the fastest growing marketing tools on the Internet. And the best part is, you can take an Article you've written and convert it into a press release by shortening it, using the third person, and making it newsworthy."

Referring to a specific example where this was effectively accomplished, Mr. Johnson points to the below examples.

Article about advantages of free press release marketing:

[http://jazzou.com/index.php?option=com\\_content&task=view&id=203&Itemid=9](http://jazzou.com/index.php?option=com_content&task=view&id=203&Itemid=9)

Press release about advantages of free press release marketing:

<http://www.onlineprnews.com/news/16476-1262621043-secret-list-of-best-free-press-release-distribution-sites.html>

The PrSiteList administrator points out that both generated tremendous views which resulted in a significant amount of website visitors.

About: PrSiteList.com was created by <http://www.lrbtrax.com> and provides a unique online resource for users of Free Press Release Press Distribution and Article Submission services, or those interested in getting started.
