

List of Free Article Marketing Sites that Can Help You Make Money

SEO firm shares list of free article submission sites that have proven they can drive traffic to your company, service, or product.

Online PR News – 17-January-2010 - SEO Internet Marketing firm shares list of the 'best' Free Article submission sites available on the Internet. Each free article marketing site has demonstrated it can drive traffic to your company, service, or product. The list can be found on a Free resource website called PrSiteList.com.

The free article marketing websites listed on PrSiteList.com were the ones that passed a series of SEO and Internet Marketing tests. Some of the important factors taken into consideration were whether or not the articles were allowed to include outbound links, anchor text, and Social Media features.

According to Steve Johnson, the PrSiteList.com administrator-

"Article Marketing and press release distribution have become extremely valuable Internet Marketing platforms. If you're not using this resource, chances are your competition is."

The PrSiteList.com administrator further explains that you can easily convert an article into a press release and a press release into an article. Allowing you to double the results while maximizing your time and effort.
