

Online Retailer Offers Massive Discounts on Bluetooth Headsets

Online cell phone accessories and Bluetooth headset retailer offering substantial discounts on their most popular wireless products

Online PR News – 25-January-2010 Online cell phone accessories retailer eGlobalWireless has been providing superior service for over five years and is seeking to strengthen their position as the 'Bluetooth headset superstore'. In order to accomplish this, eGlobalWireless is currently offering huge discounts on Bluetooth headsets and other cell phone accessories.

An example of a leading seller is the Jabra BT2020 Bluetooth Wireless Headset. For photo, details, and the discounted cost of this product see:

Among the features that separate eGlobalWireless from the competition is their unique 'Price Match Guarantee' and 5 star customer service.

According to Erik Enlund, Director of eGlobalWireless Customer Service-

"We pride ourselves on the numerous compliments we receive from customers. Our philosophy is simple, take care of the customer and do the right thing".

[eGlobalWireless.com](http://www.eGlobalWireless.com) has become a leading source for quality cell phones and accessories. Offering a tremendous selection of the most sought after brands in the industry. For additional information on other available Bluetooth headsets and cell phone accessories please visit the website located at the bottom of this release.

About: The goal of eGlobalWireless is to continue being the internet's leading provider for authentic cell phones and accessories. eGlobalWireless has been able to accomplish this by offering specialty and high-end accessories at extremely competitive prices to educated consumers and businesses.
