“The [Modern Furniture Designer](#) Collection includes the most innovative and contemporary furniture designed by world renowned designers and provides the opportunity to furnish a home or office through one source.” - Nathan, italydesign.com

This collection features the best in modern and contemporary furniture by the world's leading designers. Included in this collection are iconic designers of the past such as Mies Van Der Rohe, Le Corbusier and Eero Saarinen as well as today's most sought after designers Karim Rashid and Patrick Norguet. The Modern Furniture Designer Collection contains many items, a few of which are the Lem Barstool designed by Shin and Tomoko Azumi produced by Lapalma, rugs designed by Vernon Pantone, dining tables designed by Eero Saarinen, Kristalia's Nori expandable table by Bartoli, and the Montecarlo expandable table designed by Paolo Cattelan produced by Cattelan Italia, and sofas and chaise longue's by Le Corbusier. Discover limited edition Murano glass chandeliers by Giulia Rioda and Murano glass objects of art by Hilton McConnico produced in Murano by Formia Luxury Glass. Pininfarina designed the sleek Xten office chair and also the Sit dining room chair produced by Reflex Angelo. The iconic Question Mark chair designed by Stefan Heiliger for Tonon and the Boss bed designed by Bruno Rainaldi for Alivar are examples of high design at its best.

Italy Design is proud to introduce to the USA the [Goggle Desk](#) designed by Danny Venlet. Its unique curved shape creates a new aesthetic for executive desks in the modern office. Explore the latest designs in modern sofa beds featuring the Le Vele sofa bed designed by Luigi Recalcati produced by Futura as well as the Pierrot sofa bed designed by Glenn Thomas produced by Bonaldo.

This collection is a unique assembly of many of the world's leading modern furniture designers and provides an opportunity to furnish a home or office project through one source.
