

## uk.topseos.com Recognizes the Best Link Building Firms in the UK for February 2010

*The independent authority on search vendors, uk.topseos.com, has ranked the best link building firms in the United Kingdom for February 2010. Each of these vendors, along with thousands of others, were put through an extensive evaluation process in order to find the best link building firm.*

**Online PR News – 09-February-2010** Plymouth, IN – The independent authority on search vendors, uk.topseos.com, has announced the [best link building companies](#) in the UK for February 2010. Each of these link building companies were scrutinized through a rigorous evaluation process performed by a specialized research team at uk.topseos.com headquarters in order to find the [best link building company](#). An assigned research assistant contacted at least three clients of each vendor in order to obtain an evaluation from the client's perspective on the firm [link building service](#). Once the evaluations were complete, the information was compiled, and a list of rankings was developed.

When it comes to link popularity, it is not just about the number of links you are featuring on your site. Of course, the population of links on your site is important but it is just as important that you have sites that are of quality. What eventually makes a good link popularity strategy is a fine balance between quantity and quality. This, however, is where many firms falter.

The best link building vendors in the United Kingdom for February 2010 are:

---

### How is the link popularity campaign being measured for success?

---

1. Micrositez LTD
2. Direct Submit
3. MediaCo
4. Dotsquares Ltd.
5. Lemon Interactive
6. Net Commerce Solutions
7. The Web Marketing Group
8. Site SEO
9. the web search workshop
10. SEM Labs

The evaluation process that each company endures is completed by our experienced research team. They review every aspect of how the vendor conducts business to ensure high quality standards. To go one step farther uk.topseos.com then contacts the clients of each firm to ask questions such as, "What is the average quantity and quality (page rank) of incoming links achieved to date?", "How is the link popularity campaign being measured for success?", and "How many keywords and which keywords are being targeted in your link popularity campaigns?".
