

## Secret SEO List of Free Article Marketing Submission Sites

***Internet Marketing firm shares list of free article marketing sites that have proven they provide SEO benefits and can generate traffic to your website.***

***Online PR News – 12-February-2010*** - SEO Internet Marketing firm shares its 'secret' list of Free Article Marketing Sites. Each featured free article submission site has demonstrated it offers valuable SEO and traffic building results. This list can be found on their advertising free stand alone website called PrSiteList.com.

The free press article submission websites [listed on PrSiteList.com](#) are the ones that passed a series of tests to prove they provide valuable SEO Internet Marketing results. Some of the important SEO Internet Marketing benefits that these free article submission sites provide are the inclusion of outbound links, anchor text, images, and Social Media Bookmarks.

According to Steve Johnson, the PrSiteList.com administrator-

"Free article submission and free press release distribution are two of the fastest growing marketing methods on the Internet. And the best part is, you can easily take an article you've written and convert it into a press release by reducing length, using the 3rd person and making it newsworthy."

Referring to a specific example where this was effectively accomplished, the PrSiteList administrator points to the below example of a press release that was converted from a successful article:
