Junk Hauling, Trash Removal & Dumpster Rentals

Clutter Busters Hauling, Inc enjoyed a banner month for January as hard hit local businesses turned to the one name they could trust; and that trust resulted in a 50% increase in business for the first month of the new year.

Online PR News – 24-February-2010 Plano TX - Clutter Busters Hauling, Inc enjoyed a banner month for January as hard hit local businesses turned to the one name they could trust; and that trust resulted in a 50% increase in business for the first month of the new year.

When the weather turned nasty in Collin County, local remodeling and clean up contractors used Clutter Busters to remove wet drywall and debris as well as furniture from construction sites.

We bust your clutter! Don't let your space be taken over, not when there is such a convenient and affordable solution just a phone call away. Clutter Busters offers two services, Full Service [Junk Removal](#) and [Dumpster Rental Service](#).

Junk removal prices are based on only the amount of clutter you have. Things like loading, hauling, and dump fees are already factored into your price. They also offer free estimates you can trust.

Their residential customers call them for cleaning out garages, furniture removal, including TV's and computers, as well as storage clean outs. Other commonly hauled items are mattress removal, rubbish hauling, yard waste, swing set removal, and construction debris. They will also take your appliances like refrigerators, washers, dryers, dish washers and even spas.

For their commercial customers they are often called for complete office clean outs, office furniture removal, foreclosure clean outs, small demolition, construction clean up, and renovation debris removal.

Clutter Busters always sends out a two man team so you won't have to lift a finger, regardless of where on your property the junk sits. They will do their best to give you a phone estimate, but can also send someone out to the property if needed to get an accurate estimate. Remember, the price includes labor, time, dump

fees, and gas.

If you choose Clutter Busters [dumpster service](#) you will be provided with a 15 yard, 12' x 7' x 5' dumpster with a maximum weight of three tons. If you have concrete or roofing materials you should speak to the experts at Clutter Busters before getting a dumpster delivered. Each service amount includes the placement, pick up, and one trip to the land fill.

For more details on their service or to check on availability please call 214-533-6960 or email mike@clutterbustershauling.com or visit <http://www.ClutterBustersHauling.com>
