

The Best Affiliate Marketing Management Companies for March 2010 Ranked by topseos.com

The independent authority on search vendors, topseos.com, released the March 2010 rankings of the top affiliate marketing companies. Thousands of vendors were analyzed in order to ensure that only the best companies were ranked.

~~Online PR News – 08-March-2010~~ Plymouth, IN – The March 2010 rankings of the best [affiliate marketing management](#) firms were released by topseos.com. An experienced team of evaluators was designated by the independent authority on search vendors in order to find the best affiliate marketing vendor. The companies on this list were proven to be the best at producing affiliate campaigns and connecting publishers with advertisers.

Affiliate marketing is a form of internet marketing that uses advertisers, or affiliates, to draw traffic encouraging them to provide contact information or purchase products or services. From Facebook to pop-up advertising find the best affiliate advertisers can be difficult. Even if you find quality advertisers creating an effective campaign takes a professional. The companies on this list are the best when it comes to affiliate campaign management.

The [top affiliate marketing](#) companies for March 2010 are:

Do the reports include click rates and other analytics information?

1. Experience Advertising
2. AffiliateCrew
3. NETexponent LLC
4. Affiliate Marketing
5. IMARKETING LTD
6. Affiliate Announcement
7. VastPlanet Corp
8. Paulson Management Group, Inc.
9. Schaaf Consulting
10. MediaTrust

The evaluation process completed by an experienced research team was developed based upon a unique set of evaluation criteria. The team filters through the thousands of applicants assessing each firm's capabilities. They then contact at least three clients of each firm to gain their perspective. They ask questions such as, "How often are reports provided about current status of the campaign?", "Do the reports include click rates and other analytics information?", and "How is the analytics information used by the vendor to assess needed changes in the program?".
