Online PR News – 08-March-2010 Plymouth, IN – The best [link building companies](#) were unveiled by topseos.com.au, the independent authority on search vendors, for March 2010. Thousands of applicants were analyzed by an experienced research team so that only the best link building service was recognized. Each [SEO link building service](#) on the list displayed the ability to provide high quality links for their clients.

Link building, also known as link popularity, is a service that increases the number of incoming links to a site. The larger the number of links the better the site ranks on major search engines. However, it is not as simple as posting links all over the place because search engines factor in the quality of the link as well. The services recognized by topseos.com.au were the best in Australia at balancing quality with quantity.

The best link building experts in Australia for March 2010 are:

How is the link popularity campaign being measured for success?

1. SiteMost
2. Simple Net Australia Pty Ltd.
3. Ireckon Web Marketing
4. Bullie Graphics Pty Ltd
5. PageOneRankings
6. SEO Works
7. WCR Emarketing
8. Matter Solutions
9. Salsa Internet
10. eMedia Worx

An experienced evaluation team with the independent authority on search vendors is assigned the task of finding the best firms. They review each applicant analyzing their understanding of the link building industry and the effect on search engine rankings. They then contact at least three clients of each vendor in order to obtain an evaluation from their perspective. They ask questions such as, "What is the average quantity and quality (page rank) of incoming links achieved to date?", "How is the link popularity campaign being measured for success?" and "How many keywords and which keywords are being targeted in your link popularity campaigns?"
