***OTP Industrial Solutions is hiring additional support associates in San Antonio Texas and Louisville Kentucky***

***Online PR News – 09-March-2010*** ~~SAN ANTONIO TEXAS~~ [OTP Industrial Solutions](#) is adding a business professional at its San Antonio, Texas location.

“The ideal candidate will possess an entrepreneurial spirit and a passion for learning our business as well as our products,” states Frank Hicks, Toyota Account Manager. “We want someone to partner with in building and running the business, providing broad customer service, excellent sales support, and operational and systems accountability.”

OTP Industrial Solutions is an award winning Tier 1 supplier to Toyota Motor Manufacturing and many other industrial customers.

In addition to the San Antonio position, OTP Industrial Solutions is also hiring experienced technical sales associates at all locations, including a newly created position as technical inside sales associate in Louisville Kentucky.
