The best search engine reputation management firms in Canada were named by canada.topseos.com, the independent authority on search vendors, for March 2010. The work that is completed by these companies goes beyond that of an SEO company.

~~Online PR News – 09-March-2010~~ Plymouth, IN – The independent authority on search vendors, canada.topseos.com, announced the best [web reputation management](#) firms for March 2010. An experienced research team assessed the various applicants in order to find the best [search engine reputation management](#) companies. After the evaluations were complete a list of the best was developed.

Reputation management goes beyond the work of a [SEO company](#) to assist companies in the management of online reputation via search engines and other various aspects of internet marketing. With the growing social media networks and online consumer reporting agencies a company's online reputation can be easily tarnished with low levels of accountability for the complainants. Each of the vendors on this list provides their clients with the best possible monitoring of their online reputation.

The March 2010 rankings of the best reputation management firms are:

How are reputation management activities reported and documented?

1. Levert Marketing
2. FoundPages
3. Netmarketerz.com
4. TechWyse IT Solutions
5. Reputation Hawk
6. Ahead of the Web
7. 9th sphere
8. SearchStrategist
9. SERM International, LLC
10. Rexxfield, LLC

The independent authority on search vendors assigns a specified research team to analyze the thousands of applicants seeking to be recognized. They put each vendor through an extensive evaluation process in order to ensure they are the best. They contact at least three clients of each vendor in order to obtain an evaluation from their perspective. They ask questions such as, "How were your organizational goals aligned with the reputation management activities?", "How are reputation management activities reported and documented?", and "How are results of the reputation management activities measured?"
