PatioConnections announces sale prices, free shipping and a new option allowing users to custom design their own patio area.

Online PR News – 10-March-2010 PatioConnections.com urges customers to take advantage of the final days of their outdoor [patio furniture](#) sale. The company features a variety of custom pub and bistro sets, bar and counter stools, and beautiful outdoor [patio chairs](#) and garden furniture products.

We offer free shipping and secure online ordering, but our customer service is what really sets us apart. All email inquiries are answered promptly. It is our goal to really match customers with the right patio furniture for their needs,

The innovative website also features a new artistic creations page where customers can create and enter their very own patio or garden creations theme. If you have a master piece patio, pool or garden presentation, feel free to share that special project for all to enjoy. "We wanted to give people a chance to really get creative with their [patio sets](#) and design. Sometimes it is hard to know what you want to do with a space until you actually try out different options," said Jorge Antonio, assistant manager of PatioConnections.com.

PatioConnections.com also holds a monthly drawing for all visitors to the site -- with no purchase required. "We offer free shipping and secure online ordering, but our customer service is what really sets us apart. All email inquiries are answered promptly. It is our goal to really match customers with the right patio furniture for their needs," said Antonio.
