*The independent authority on search vendors, [canada.topseos.com](http://canada.topseos.com), released the March 2010 rankings of the best link building companies in Canada. Every vendor on the list had demonstrated a quality understanding of various link building techniques.*

**Online PR News – 12-March-2010** Plymouth, IN – [canada.topseos.com](http://canada.topseos.com), the independent authority on search vendors, has ranked the best [SEO link building service](#) for March 2010. Thousands of firms were scrutinized by an experienced analyst team in order to ensure that only the best [link building companies](#) were listed. These firms demonstrated their expertise and experience when it came to helping sites gain visibility.

Link building firms have to focus on more than just getting a high number of links back to their clients' sites. Any link exchanges that occur need to be continuously monitored to ensure that both parties are sticking to their end of the bargain. The firm must take into account the quality of the web page as well as the number of outbound links on the page.

The best link building firms for March 2010 are:

---

### How is the link popularity campaign being measured for success?

---

1. OSG Marketing
2. Netmar Solutions
3. Beanstalk
4. One Way Links Program
5. Epiar Inc.
6. SEO Expert
7. ISHIR Digital
8. Think Profits.com Inc.
9. Go4SOP.com
10. Reid Technologies Inc.

Thousands of firms were scrutinized in order to find the best by an experienced research team. They reviewed the work history and methodologies of each firm to ensure the highest quality standards were in place. They then contacted at least three clients of each firm to gain their perspective of working with the agency. The team asked questions such as, "What is the average quantity and quality (page rank) of incoming links achieved to date?", "How is the link popularity campaign being measured for success?" and "How many keywords and which keywords are being targeted in your link popularity campaigns?"
