Online PR News – 15-March-2010 Rockaway, New Jersey, USA – Favors in the City, the online retail site for Party City's noteworthy wedding favors and [baby shower favors](#), has ushered in their 2010 wedding favor collection with several designs that celebrate spring and the feathered friends that announce its arrival.

The lovebirds, doves and songbirds featured in the company's [spring wedding favors](#) appear in a variety of styles, which include 'Love Birds in the Window' Ceramic Salt & Pepper Shakers, 'Our New Nest' Bronze-Finish Metal Tea Light Holder, 'Sweetwater Park' Bird Bath Place Card Holder, 'Love Songs' Birdcage Tea Light Holder, 'Love Dove' Scented Soap and the 'Lovebirds' Icon Favor Box.

"For so many of us, the first sign that spring is just around the corner is the chirping of birds we haven't heard for months. It's only natural for birds—an international harbinger of spring—to be a favorite icon for wedding favors, and we want to give our brides lots of beautiful choices," says Favors in the City merchandising and site maintenance manager Brooke Plott.

Along with bird-themed spring favors, Favors in the City recently introduced a trio of specialty drink mixes in brightly hued gift-packaging to complement spring and summer reception tables. The thirst-quenching flavors are 'Main Squeeze' Lemonade Mix, 'Razzle Dazzle' Raspberry Iced Tea Mix and 'Mix & Mingle' Key Lime Margarita Mix.
