Online Psychic Network powered by Bitwine Inc.

Experienced Psychics, Astrologers, and Tarot Readers Make the Online Psychic Network the Preferred Destination For Spiritual Guidance.

Online PR News – 16-March-2010 BitWine's [online psychic](#) Network announced today that it has added thirty one [psychics](#) to its growing advisory panel. "We are thrilled to introduce the newest psychic advisors," says Jennifer Glover, Community Relationship Manager of the Online Psychic Network, "Each advisor is offering clients their personal services, from [tarot readings](#) to helpful psychic consultations, in order to get the direction they need on personal relationships, career and financial concerns and more."

Psychics, Angels, Clairvoyants and More!

JuliaB is one of the newest advisors. "I am a Metaphysical Practitioner, Teacher, & Psychic. I have 10 years experience as an Usui Reiki Master and I am prepared to send you distance healing for your mind, body, & soul. The Angels and Spirit Guides communicate through me to you, to finally bring you the peace you have been searching for."

JuliaB is also an Ordained Minister and Esoteric Witch, who provides Expert Occult Advice, Instruction, Lectures, Teachings, & Readings. "I see, I hear, and I am prepared to Tell!"

Spiritual Advisor Suzie has over 15 years experience providing spiritual energy readings. "I specialize in Love And Relationships, and can guide you on the right track to balance out your life." Suzie tells her clients, "We all know its hard to make decisions sometimes. That's why I am here, to help you make the right one." Spiritual Advisor Suzie can help clients with relationship questions including details about soul mates.

Master Reader Wayne May is a Clairvoyant. He does not use any tools, and he is a reader who gives names, time frames, information about the past, present and future, as well as past lives with ease as he believes all his work is for the good of his client's. As a psychic and life coach for 30 years, his main mission is to help clients take control of their future, especially their career and love relationships, by making them

aware of what to expect. Wayne believes, "You can make better decisions and manifest a better life when you don't have to guess about what's to come."

Anne Mackriell comes to the Online Psychic Network as a trained spiritual healer with over 18 years experience, and she is a Psychic Medium. "I have been able to do it since I was 10 years old. I have a lot of success in helping my clients, and I will help you also and give very good advice, I have a very good listening ear. We can have a chat about your concerns, just chatting can make you feel better, my clients has confirmed this – let's give it a go!"

Spirituality and Social Networking

Affordability and accessibility along with the ability to remain anonymous are important factors which clients seek from the advisors who provide psychic and tarot card readings at the Online Psychic Network. The community of advisors are accessible around the clock to provide affordable services. Clients can choose from many experienced psychics by viewing their profile, which provides an outline of their experience and credentials. Once the client has chosen their advisor the session will begin at no charge, while a rapport between client and advisor is established. After the paid session is completed, clients then have the ability to leave an effective evaluation of the time spent with their chosen advisor.

The Online Psychic Network charges one of the lowest commission fees within the industry, which in turn these savings are passed on to the clients.

About the Online Psychic Network

The Online Psychic Network is quickly becoming the top destination place for anyone looking for guidance about love, relationship and life's day to day challenges. Trusted psychics and spiritual advisors are available online for one-on-one tarot readings, spiritual coaching, and connection with deceased loved ones.

About BitWine

Founded in 2006, BitWine is an innovator in the areas of personal consulting and counseling. Our global network allows prospective clients to meet and hire specialists from all over in the world in nutrition, technology, travel, psychic counseling, tarot card reading and more anonymously and all from the comfort of the client's home.
