The top social media optimization service has been announced by canada.topseos.com, the independent authority on search vendors, for March 2010. These vendors endured an extensive evaluation process in order to be recognized as the best internet marketing services in Canada.

~~Online PR News – 16-March-2010~~ Plymouth, IN -- The independent authority on search vendors, canada.topseos.com, has ranked the [best social media optimization strategies](#) firms for March 2010. Thousands of applicants were reviewed by an experienced research team with the independent authority in order to find the best [internet marketing services](#) to meet the business needs of their clients.

The internet has always been a great place for people to come together and that is precisely the feature of the net that social media optimization takes advantage of. Though SEO remains one of the main ways in which websites can make their presence felt, SMO has also proven to be a great way to increase visibility. A good social media optimization company is one that gives you results in terms of visibility and understands the various techniques that go into making your brand name more accessible to net browsers.

The best [social media optimization service](#) firms for March 2010 are:

1. Search Tactix Inc.
2. Anduro Technologies Inc..
3. Eleven Marketing
4. Seo 7 Services
5. SEM Expertise Inc.
6. Apollo Media
7. Schipul
8. Comet Conversion
9. e-Strategy
10. Webidiotz

The evaluation process that each company endures is completed by our experienced research team. They review every aspect of how the vendor conducts business to ensure high quality standards. To go one step farther topseos.com then contacts the clients of each firm to ask questions such as, "What analysis went into your website before the decision to implement social media optimization techniques to your website was determined?", "What types of social media optimization techniques has your agency implemented on your project?", and "What has been the impact to your conversion rates from the implementation of SMO techniques?"
