uk.topseos.com, the independent authority on internet marketing services, released the March 2010 rankings of the best online marketing courses. These programs provided the best information and had the best knowledge retention for trainees.

Online PR News – 18-March-2010 Plymouth, IN – The independent authority on search vendors, uk.topseos.com, ranked the [best internet marketing training](#) programs for March 2010. The firms on this list were the best when it came to assisting businesses in understanding internet marketing. They were the best at providing up-to-date information and helping trainees to retain the most knowledge from the training.

Each applicant is put through a rigorous evaluation process performed by an experienced research team that specializes in evaluating training programs. They also contact at least three clients of each firm in order to gain their perspective of the training. Clients are asked questions such as, "Did the training program tackle relevant issues?", "What was the most complex / challenging technical aspect that the training covered?", and "Were any post-training services provided? If so, for how long?"
