

## Premier Aruba Vacation Rental Villa Provider Offers Special Discount

*Aruba Villa Vacation Homes, a premier provider of beach villas on the Caribbean island of Aruba, is offering a special 10% discount on all villas for the months of May, June, and July.*

**Online PR News – 18-May-2010** Noord, Aruba - Aruba Villa Vacation Homes, a premier provider of beach villas and vacation rentals on the Caribbean island of Aruba, is offering a special 10% discount on all villas for the months of May, June, and July. The company's [Aruba Vacation rental](#) include beach houses, villas, apartments, condos, hotels and guestrooms. Each property has its own charm and elegance. Most have a private pool.

With more than 40 properties on Aruba, Aruba Vacation rental offers a wider selection than any other rental agency on the island. And, unlike many rental agencies on Aruba, the company is fully licensed. So, customers can book with confidence knowing they will have a professional experience. All homes are professionally cleaned and inspected before each guest's visit.

"Whether you're looking for last minute villas, great deals on family villas or luxury villas, contact us and tell us your budget and requirements," says Matthew Smillie, President of Aruba Villa Vacation Homes. "We offer beach villas, condos, and a variety of villa options. We can tailor-make a package for the perfect vacation. No matter what your requirements are, our experienced staff is here to meet every need."

The rental agency offers an unparalleled level of service to its guests. No matter which accommodation a guest selects, a member of the Aruba Villa Vacation Homes (<http://www.arubavillavacationhomes.com/>) team will await them upon their arrival at the airport. The staff then takes guests to their rental and explains the rental's details, gives important contact numbers, and provides local information. The staff can recommend car rental agencies, spas, and just about any other service a guest might require.

"We strive to satisfy our guests' needs no matter what they are," says Smillie. "We must be doing a good job because we have never gotten a bad review from any of our guests. And we get a lot of repeat visitors!"
