Key West Fishing Charters: The Coolcast

The newest addition to Key West Top Guides' fleet of top-of-the-line fishing vessels has been running highly successful Key West fishing charters since its introduction to the Top Guides' team; Key West Top Guides reports that the spring months have been particularly productive, as well as busy with bookings

Online PR News – 27-May-2010 Earlier this year, the Key West Top Guides welcomed its latest addition to its fleet of top-of-the-line fishing boats, the 36-foot Coolcast. Operated by two of Key West's top fishing charter captains, the Coolcast has been running daily trips out to the offshore waters of Key West, offering Key West guests with highly successful and unforgettable [Key West fishing](#) adventures.

So far, 2010 has proved to be a very successful year for Key West fishing. The Coolcast fishing boat specializes in offshore fishing trips, aiming for the larger sport fish species like sailfish and cobia. The captains who run the Coolcast charter trips have an impressive list of Key West fishing awards and titles including first place in the Key West Fishing Tournament for a 21 permit caught and released in one day and 4th place in the SKA Tournament for a 51-lb King Mackerel catch.

The Coolcast is one of Key West Top Guide's best fishing vessels, complete with twin 300 HP Yamaha outboards, plenty of seating for anglers, and a large T-Top to provide plenty of shade. It is also fully equipped with top-of-the-line electronics to help in the fishing experience including TR 1 auto pilot, a 12-inch Ray marine color fish finder, a 12-inch color Garmin Chart Plotter, 2 VHF radios, a CD player, and a cell phone.

Key West Top Guides is known as the leading center for [Key West fishing charters](#), offering visitors to the island a variety of [fishing Key West](#) charters on one of the island's most impressive fleet of fishing boats. Guest anglers can choose between offshore, light tackle, flats, or specialty fishing charters.

"We truly provide some of the best fishing charters in Key West," claims Key West Top Guides reservations agent Tommy Bryant. "People who are looking to experience the world of Key West fishing should call our center to figure out what type of charter trip is best for them."

Key West Top Guides runs several half-day, three-quarter-day, and full-day fishing charters every day of the year. Call the center at 1-877-885-5397 to learn more about Key West fishing and to make your reservations.
