

BluePay, a Top Credit Card Processing Company, to Attend MWAA 2010 Conference

Leading credit card processor BluePay will support the MWAA 2010 Annual Conference through Golden Wheat Sponsorship from July 21 to 23.

Online PR News – 30-June-2010 CHICAGO – BluePay, a leading provider of [credit card processing](#) solutions, will attend the MidWest Acquirers Association (MWAA) 2010 8th Annual Conference, held in Schaumburg, Ill., from July 21 to July 23. BluePay has been attending the MWAA Conference since 2003, and has been an MWAA Conference Golden Wheat sponsor for the past 5 years. The conference will focus on 'Changing Times ... Changing Visions,' introducing new technology, payment strategies and opportunities for today's advancing business solutions.

Each year, the event brings new opportunities to network and learn about innovative business strategies, technologies and advanced solutions. We are excited to present BluePay's secure payment processing solutions at the conference, connecting with today's business leaders to create growth and security.

"The BluePay team is proud to be a Golden Wheat sponsor for this year's MWAA Annual Conference," said Kristen Gramigna, director of BluePay. "Each year, the event brings new opportunities to network and learn about innovative business strategies, technologies and advanced solutions. We are excited to present BluePay's secure payment processing solutions at the conference, connecting with today's business leaders to create growth and security."

The MWAA is a not-for-profit organization committed to providing training, education and networking opportunities to the Midwest acquiring community. Attendees at the annual conference are ISO managers and consultants, merchant level salespersons, and industry experts. The schedule for the MWAA Conference includes panels on social media, ACH payments, and the presentation of a Lifetime Achievement Award.

"As leaders in the payment processing industry, we understand the importance of constant learning and networking," said Gramigna. "The MWAA Conference has become a hub where companies showcase the latest processing software and hardware, from online capabilities to mobile credit card readers. By connecting with other professionals and experts in the industry, we can improve our payment processing and [merchant account services](#) while helping our customers utilize secure, effective and innovative processing solutions."
