

Top Horse Racing Betting Tips At AU Site Greatly Out Gain ASX Stock Market Shares

AU horse racing tips featured at Australian horse racing news and betting site have consistently out gained ASX stocks during the calendar year 2010.

Online PR News – 16-July-2010 AU Horse racing tips at Australian racing, betting and news site Punters Paradise have consistently achieved better gains than ASX stock market shares, and other stock exchanges, through out 2010 and counting. The evidence of this financial news can be clearly observed in the Punters Paradise online King [horse racing tips market place](#). A unique horse racing tipping service that features regularly updated graphs and charts. These continually updated statistics allow members to conveniently track and follow leading tipsters. Tipsters who've consistently achieved far better returns with their racing tips than one would have received if they invested in the majority of stocks within the Australian Stock Exchange over this same period of time.

At the Punters Paradise King tipping market place members have been fortunate to follow advice from top selling tipsters. Some who've produced more than a [40% profit on turnover](#) in the past ninety days. During an equal period of time an investment in the general fund of the ASX stock exchange would have likely produced a loss. The cost to purchase these King tips range from \$5 to \$10 and the funds needed to get started are extremely reasonable when compared to trading shares. An investor also doesn't have to be concerned about Capital Gains tax. To view the performances of the top Punters Paradise King Tipsters click the below or visit the Punters Paradise website attached beneath the 'Media' section of this release:
