Premium E Cigarette Custom Batteries

Premium E Cigarettes popularity is on the rise. They are bringing consumers high quality product at low prices. They are the leaders in innovation for electronic cigarette companies.

Online PR News – 28-July-2010 Popular E cig review site, [Electronic Cigarette Nation](#) has been a leader in bringing quality reviews of electronic cigarettes to consumers. After extensive reviews of other e cigarettes, ECN announces that [Premium E Cigarettes](#) are a great choice for new and experienced vapers in the United States.

The quality standards for inclusion on Electronic Cigarette Nation include companies that have great customer service, top of the line product, quality assurance, and a product backed by the company. Premium E Cigarette has met and exceeded these standards to earn the Excellence In Innovation award from ECN. Their product is a two piece model that delivers clouds of vapor and a great throat hit to simulate the experience of smoking. Joe Sweeney of Electronic Cigarette Nation stated, "We have seen a lot of quality product, but few match Premium's drive for customer satisfaction. They have repackaged popular kits to offer a great product starting out at \$49.95."

Video reviews have become the staple of research for consumers on electronic cigarettes. ECN's parent site [SmokeOutPost.com](#) was sent an e cig kit to review and posted it on YouTube at: <http://www.youtube.com/watch?v=93CUan0OUpk>. This video review demonstrates how the product works and what is included. Consumers are able to see a fully functional working version of the product before making their purchase.

There are great companies out there that offer skins for electronic cigarettes, however there are not many out there that sell electronic cigarettes and offer skins for their product. Premium E Cigarette has been a pioneer in the industry by providing E Cig Starter Kit with custom batteries below \$110. One of the many designs is shown in the picture on the top right. They are constantly adding new designs to provide vapers with a personal touch for their new electronic cigarette.

Premium was given a 5 star rating on cost vs. value, style, vapor production, flavors, customer service, and speed of shipment by Electronic Cigarette Nation. Ryan from ecigtopten.com states that, "When I first received my Premium Electronic Cigarette I did not think it would become my daily use electronic cigarette. Now I can't leave the house without it." Other review sites are sharing the same sentiment and are recommending Premium E Cigarette at an astonishing rate.

The full review of Premium and other top electronic cigarette brands such as [Halo Cigs](#) can be found at: <http://electroniccigarettenation.com/>. Joe Sweeney has also promised to assist anyone who has questions by email at webmaster@electroniccigarettenation.com. For a limited time, consumers can get Premium's Customer Premium E-Cigarette Kit for \$109.95. The kit comes with 2 custom designed batteries, 6 cartridges, chargers, and a product manual. We offer our congratulations to Premium E Cigarette for winning the Excellence in Innovation award.
