***Key West Fishing charter captains are predicting excellent reef and offshore fishing on Labor Day Weekend. Now is the best time to reserve your private charter or a seat on a shared trip. Our experienced and successful crew guarantee to show you a good time.***

***Online PR News – 09-August-2010*** Key West Fishing captains report Yellowtail, Grouper and Cobia are active on and inside the reef. Outside the reef the Dolphin are returning. Also Tuna and Sailfish action being reported by some boats daily. All of these fish offer an excellent fight and table fare. The crew will fillet your catch for you upon return to the dock, and most local restaurants will prepare your days catch for your enjoyment.

Key West Fishing offers shared fishing charters sold by the seat. For groups of four or more a boat can be privately chartered, 1/2-day, 3/4-day and full-day fishing charter options are available. All Key West Fishing boats are fully equipped with the finest state of the art equipment.

Also available are inshore flats and back-country fishing charters. Fly or spin.

NOAA update: The oil from the BP spill has not approached Key West or any of its surrounding waters. NOAA has suspended its trajectory maps for this area, and we look forward to a continuation of excellent fishing conditions.
