Free Personal Check Writing Software Offers for Labor Day

Online PR News – 01-September-2010 Today, a lot of people want their personal checks can reflect their life styles. They want to take this avenue to show what sport or sports figure that they are supporting, and which is their favorite cartoon characters. However the price of such personalized checks will be somewhat more expensive and the style selections can be limited.

"Everyone loves getting free stuffs. But through our partnership with TrialPay, consumers can get their favorite software for free and get something else they want in the process," said Dr Ge, the founder of halfpricesoft.com. "It's a remarkable way to treat our customers to free software, while ensuring that the software's copyrights are properly obtained."

With ezCheckPersonal, the [check design and printing software](http://ezCheckPersonal) from halfpricesoft.com, customers can easily design and print any style bank checks they want. They can change the font, add a logo, add a new label and even put the picture of their pets there. Now the bank checks can be as entertaining or subtle as they wish.

And customers can also have the flexibility to print quality bank checks immediately in a secure environment. Users will never run out of checks and users are never left with stacks of unused preprinted checks when the bank changes names or user moves to a new address. It saves users time and money in a variety of ways

ezCheckpersonal check writing and printing software Highlights:

1. Support Unlimited Bank Accounts
2. Print your own checks on blank computer check
3. Print image Logo and signature on checks
4. Edit check layout and create customized personal checks;
5. Easy to use reports
