

## New High Noon Online Casino Launched This Week

*Online Casino Friend, one of the Internet's leading gambling guides, is pleased to announce the launch of a brand new online casino powered Real Time Gaming.*

**Online PR News – 02-September-2010** High Noon is a super Wild West themed gaming site that promises to be a huge hit among fun-loving online gamblers. Players will be able to take their pick from a wide range of over 130 games that range from video slots, video poker, blackjack and roulette to some seriously big progressive jackpots.

The US friendly High Noon online casino will be offering new players plenty of lucrative reasons to try out the new site, including a \$60 free gaming chip, as well as a 200% launch offer of up to \$2,000!

[High Noon Casino](#) will also bring players superb graphics, easy payment methods and top notch support. For a new, state of the art, immersive gaming experience, this online casino is a sure bet.

About [Online Casino Friend](#)

Online Casino Friend is a quality gambling guide that assists players in locating the right information for their particular gaming preferences. The site incorporates current industry news, updated bonus information and all the relevant data regarding payment methods and casino sites to facilitate the choosing of a casino that suits the player.
