Charlotte Wedding Photographers, M. Clay Photography releases mobile version of their online portfolio.

Online PR News – 04-September-2010 [Charlotte Wedding Photographers](#) M. Clay Photography is proud to announce the launch of their new mobile website.

The owner of the [Charlotte Wedding Photography](#) studio stated that many potential brides were not being reached due to the limitations of flash based websites on mobile devices. So, M. Clay Photography developed a lite version of their popular website optimized for iPhones and other mobile devices.

Now, any brides visiting the main website and portfolio from an iPhone searching for [wedding photographers in Charlotte NC](#) will automatically be redirected to the new mobile website.

For more information or to check out the portfolio the Charlotte Wedding Photography portfolio of M. Clay Photography, visit mclayphotography.com from a PC or mobile device.
