

## Drugs For Cancer Treatment Joins Global Pharmacy Intermediary CancerDrugsDirect.com

*Drugs For Cancer Treatment launches new website to provide worldwide customers quality patient care at affordable prices.*

**Online PR News – 04-September-2010**- MIAMI, FL, [Drugs For Cancer Treatment](http://www.drugsforcancertreatment.com) (<http://www.drugsforcancertreatment.com>) joins leading global pharmacy intermediary CancerDrugsDirect.com as new affiliate.

"CancerDrugsDirect.com has been at the forefront of connecting consumers to affordable medications though its unique network of licensed international pharmacies and [Canadian pharmacies](#) since 2004," says Sam Jackson, affiliate owner for Cheap Cancer Drugs. "We are excited to be joining one of the premier prescription fulfillment service providers. CancerDrugsDirect.com continues to negotiate the best prices for its clientele with one of the largest dispensing network with licensed pharmacies and pharmacists located in Canada, Italy, the UK, New Zealand, India, Switzerland, South Africa, Israel, and Fiji."

Cancer drug costs in the United States as well as in other countries continue to rise at alarming rates. Too many consumers are uninsured and cannot keep up with these inflated prices. The result is that people are going without their prescription drugs, which in turn can often lead to a host of other health complications. Drugs For Cancer Treatment together with CancerDrugsDirect.com provides a safe and reliable solution to consumers to [buy cancer drugs](#) at substantial savings.
