

Buy Provigil Online Information Now Available At Canadian Pharmacies Intermediary 360Meds.com

360Meds.com adds Provigil information page to new drug resources section of the website.

Online PR News – 05-September-2010 MIAMI, FL, 360Meds.com (<http://www.360meds.com>) announces a new drug resources section with the addition of the Provigil information page. The [buy provigil online](#) page lists information on product use, storage, and side effects of the medication. The information along with how to obtain a price quote from licensed [International online pharmacies](#) is now available at <http://www.myglobalpharmacy.com/drugs/Provigil/>.

"360Meds.com through its affiliate relationship with MyGlobalPharmacy.com has been at the forefront of connecting consumers to affordable medications through its unique network of licensed international pharmacies and [Canadian pharmacies](#) since 2004," says Sam Jackson, affiliate owner for 360Meds.com. "We are excited to be an affiliate of one of the premier prescription fulfillment service providers. MyGlobalPharmacy.com continues to negotiate the best prices for its clientele with one of the largest dispensing networks with licensed pharmacies and pharmacists located in Canada, Italy, the UK, New Zealand, India, Switzerland, South Africa, Israel, and Fiji."

Drug costs in the United States as well as in other countries continue to rise at alarming rates. Too many consumers are uninsured and cannot keep up with these inflated prices. The result is that people are going without their prescription drugs, which in turn can often lead to a host of other health complications. 360Meds.com together with MyGlobalPharmacy.com provides a safe and reliable solution to consumers struggling with the high cost of prescription drugs.
